

# Wyred 4 Sound Trial Program

We are pleased to launch our trial program for select Wyred 4 Sound products. Prior to the launch of this program it may have been very difficult, if not impossible to evaluate one of our products before you make a purchase, especially if you are not located near one of our dealers. You now have the opportunity to listen to a product that interests you in your own system for a minimal financial risk.

The demo unit will be purchased at full retail price plus shipping. You will have 14 days to evaluate the unit from when it arrives at your home. At the end of the evaluation period, the demo unit must be returned by the agreed date or you forfeit the right for any refund and any exchange of a new unit. You will be responsible for the return shipping (Insured for full unit value) to our facility. You are responsible for any damage to the unit whether it be internal or external. After we receive the unit, it will be fully tested and inspected. After it completes inspection you have two options.

1. **Return without purchase of a new unit:** We will credit your original payment back less shipping and less 5% of the full retail price.
2. **Return the unit with purchase of a new unit:** The new unit will be shipped out to you as soon as the returned unit has been inspected and your only additional cost is shipping.

The demo unit will not be sold at a discounted price. The new unit will not ship until the demo has arrived and is fully inspected. The refund will not be issued until the demo unit has arrived and has been fully inspected.
